

The SureColor SC-F500 is designed to help businesses expand their product offering, and is Epson's first 24-inch, dye-sublimation printer

Whether producing printed phone covers, mugs, mouse mats, t-shirts or cushions, the SC-F500 offers fast turnaround times, reliability and a low total cost of ownership (TCO) to small businesses, requiring no specialist knowledge to set up, operate or maintain. To keep businesses agile and responsive to customer needs, this dye-sublimation printer has been built with ease of use, productivity and efficiency in mind.

#### **Flexibility of applications**

The SC-F500 has been designed to expand business opportunities with high-quality printing on a wide range of gifts and promotional goods.

#### **Enhanced productivity**

Epson's refillable ink solution (140ml ink bottles) makes refilling an easy, non-specialist operation; you can even refill while printing. This enables business to keep running for longer, thereby reducing any downtime.

#### **Easy to use**

Epson's technologies are simple to use and highly intuitive. It boasts a 4.3-inch touchscreen, Wi-Fi connectivity and automatic media changeover functionality, which make printer usage and maintenance a non-specialist activity.

#### **The complete end-to-end Epson printing solution**

Epson printer products are designed to work in perfect harmony. We offer the complete solution that includes: Epson inks, papers, software... and, of course, the SC-F500 printer.

#### **KEY FEATURES**

- **Refillable ink solution**  
140ml ink bottles can be used, even while printing
- **Anti-dust design**  
Prevents misprints due to nozzle clogging, or time-consuming cleaning cycles
- **Auto switch between media**  
Switch between cut sheets and roll media with ease
- **Wi-Fi connectivity**  
For ease of use; this is a first for Epson's dye sublimation range
- **Accounting tool**  
Easy to use software to accurately calculate print costs
