

Perfection V600 Photo

Remove dust and scratches with this versatile, 6400 dpi scanner, featuring advanced DIGITAL ICE™ technologies for both film and photos.

Scan all your prints, negatives and slides quickly and efficiently. Complete with film holders it handles just about any size and format, including 35 mm filmstrips, mounted slides and full panoramic medium format film.

Advanced DIGITAL ICE technologies make it easy to remove dust and scratches from film and photos, and you can check every detail in your images with the resizable preview window.

Featuring Epson ReadyScan LED technology, you can start scanning instantly with no warm-up time. You also use less energy when you scan, which is better for the environment and also saves you money.

And whatever you scan you can be sure of capturing every detail with high-quality 6400 dpi optical resolution with Epson Matrix CCD® technology.

DATASHEET / BROCHURE
